**Energetic instructions releases old blocking energies and sets free new energies supporting healing and power and balance where desired. They are easy to learn in our sessions , directly and precisely applied. The learning is so profound that they can be reproduced immediately and applied in daily life.**

**People have gained positive results with our method in**

- Replacing exhaustion and pain symptoms by states of balance, power and creativity
- Dissolving stress because of dissonant climate in workspace
- Recovering from various symptoms because of exposure to covert aggressive manipulating characters and own lack of self protection, understanding and effective communication strategies
